***\$29.99**
Includes Hardware

Posi Quiet brake pads are manufactured using the same positive molding process utilized by Original Equipment suppliers. Positive molding uses extreme pressure to compress the friction material and bond it to the backing plate. This process assures consistent friction material density throughout the pad, resulting in even wear and performance characteristics throughout the life of the brake pad.

METALLIC CERAMIC

***\$22.99**
Includes Hardware

Centric Parts Premium Brake Pads provide superior stopping power and reliability for passenger cars and light duty trucks. Centric Parts' engineers have worked with leading brake pad manufacturers to develop two application specific friction compounds that combine improved braking performance and reduced noise under braking. All Centric Premium Brake Pads are installation ready with shims installed to prevent noise associated with pad vibration.

C-Tek components provide exceptional quality and value. Utilizing world-wide manufacturing sources allows Centric Parts to provide the highest quality replacement parts while maintaining value.

***Save when you purchase any 2 Brake Rotors. Most Applications.**

Brake Rotors and Drums

100% of A&Jay's Rotors are Supplied by Centric

C-Tek brake rotors and drums offer many of the features and benefits of premium replacement parts.

- Non-Directional Finishes.
- Machined non-friction surfaces.
- G11H18 metallurgy.
- Widest application coverage in the aftermarket.

Brake Hydraulics

C-Tek brake hydraulics include master cylinders and wheel cylinders for import and domestic vehicles.

- Reservoirs and caps included.
- Pressure tested for worry free performance.
- Wide application coverage.

Semi-Loaded Calipers

Centric semi-loaded calipers are remanufactured to meet our exacting standards ensuring worry free performance for the life of the caliper. Each Centric caliper is 100% pressure tested and inspected to guarantee proper operation and fitment. Centric semi-loaded calipers include hardware and brackets where applicable. Centric offers a wide variety of brake pad options that can be purchased separately to compliment any driving style. Ask for Centric 141 series replacement brake calipers.

Premium Brake Shoes

- Premium Quality and Performance
- Continuous dynamometer testing to further raise the standard
- 100% Asbestos-Free formulas
